FEB 2025 TRIP

THE PEOPLE'S SG

THE WWWDD ZIMBABWE AMBASSADOR

● IN DUBAI

Dr Abigail Magwenzi
President of the WWD

The World Wide Women Do Dubai summit that I attended in the UAE this February was an eye opener. It was a trip that leaves anyone with a mind that wants to climb the ladder pushing for more. I must say Dubai is just not a destination as well put by the President of the WWD, Dr Abigail Magwenzi; it is a mindset. There is no way that you can travel all those miles and come back without a mindset shift, usually positively and for the better.

The whole conference, right from the Friday night of awards was bliss, glitz and glamor! Beautiful, intelligent women from different countries walked through the doors of the conference room to share their journeys and triumphs. Every woman who stood up to speak spoke intelligently and honestly of how they started their businesses and where they are now. My greatest takeaway from all of them was consistency and passion. I saw a great deal of that in all of them and it made me realize that it can be done, from any point...with enough zeal, dedication, commitment and consistency. Zimbabwe was well represented with the likes of Dr Abigail Magwenzi, President and Founder of WWD, Prophetess Memory Matimbire of the "Ndadhiniwa Fame", popular Star FM DJ, Yvonne Tivatye and our very own socialite, Felistas Murata aka Mai Titi.

One thing that stood out for me throughout my stay in the country was practice of the rule of law and how the citizens have comfortably, with ease accepted that things must be done in an orderly manner. I can safely say the crime rate is at 0%, or if any, does not exceed 2%. Day to day living is the safest and you can easily walk around as late as 2am as most of their shops are also open during the night (at least that's what I noticed in Deira City) where we stayed. We never experienced the notion of _kuda kubata homwe_ in fear of thieves. Everyone is a brother's keeper.

”

As we prepare to go back for yet another amazing Summit in March 2026, which this time is Wo+Men Worldwide Do Dubai I look forward to seeing a greater number from Zimbabwe as I'm sure we will learn, unlearn and relearn together for the good of our nation to implement all that we learn from the great speakers scheduled to speak at the conference and indeed from Dubai itself.
