Norton Long Distance Runner Aims For The Olympics

Proudly Nortonian, Trish, will be going back to the Comrades Marathon 2025 Edition. We caught up with her for a brief chat as she prepares for this dream event on every runner's calendar.

My name is Patricia Chikambure. I am a long distance runner, born in Chirumanzi 40years ago. and currently residing in Damafalls, Norton.

I started running marathons for enjoyment in 2015, which marked the beginning of my running career. I was motivated along the road after winning the majority of the races held by running groups including Riot, Harare Athletics Groups, Musabvunda and Eve's. Then I asked myself "why not think about running as a career?" As a result, I stepped up my training regime, focusing on long runs for endurance and hills for speed. My performance at most races has been excellent as a result of this training regimen.

I have won prizes in the half and full marathons races organized by major corporations such as Nyaradzo Holdings, Lake Harvest and Econet Wireless. A full marathon is a 42.2 kilometer distance whereas a half marathon is 21.1 kilometers.

I have also participated in full marathons hosted by Old Mutual, CBZ Bank and Econet Wireless. Last year I achieved 10th place in the Econet Victoria Falls marathon held on 7 July 2024.

My biggest achievement so far in my running career, is the successful completion of Comrades Marathon which is a gruelling 90 kilometre distance from Durban to Petermaritzburg, South Africa. I completed the race in 8hours 43 minutes and bagged a Bill Rowan medal. I became the 4th woman in Zimbabwe to complete the Comrades marathon last year. It was an uphill which is considered to be the toughest course. I am very happy with this achievement and I dedicate it to my two sons, Sean and Russel, who are my number one cheerleaders.

This year I am aiming for a silver medal at the 98th edition of the Comrades Marathon. It is going to be a downrun from Petermaritzburg to Durban. I also participated in the Two Oceans 56km run held in Capetown April this year and I finished in 4 hrs 50mins.

When I was growing up I had dreams of participating in the Olympics and I believe one day this dream will come true.

My appreciation goes to my two boys Sean and Russel, I love you boys. To my family and friends, you give me the will power to go on. Last but of course not least, my runmates, you have been an intergral part of my running career, you are amazing. I thank you.
