Vic Chamu

On David Mascott's Sports & Wellness Day 2025

I am Victor Chamunorwa from Galloway Park Norton. I have done 21kms at the Two Oceans Marathon thrice and this year I had to challenge myself by doing my first 56kms Ultra Marathon at the Two Oceans, and hope to do my first 90kms in Durban come 2026.

I'm a social runner and I run to keep fit and look fit. I would like to encourage the youth and the Norton community to stay away from drug abuse. They can start by joining **Norton Fitness Hub** in partnership with **David Mascott** for the Sports and Wellness Day on 12 July 2025.

SEE YOU THERE.!

Christian Education

The Only Way to Save Humanity

By Peter Matangira

In a world plagued by moral decay, social unrest, and environmental degradation, humanity stands at a crossroads. Amidst the chaos, Christian education emerges as a beacon of hope, offering a transformative path forward. By integrating faith and learning, Christian education provides a holistic approach to personal development, equipping individuals with the values, wisdom, and character necessary to navigate life's complexities.

At its core, Christian education seeks to cultivate compassionate, critically thinking, and morally grounded individuals. By emphasizing the importance of love, forgiveness, and service, it fosters a sense of community and social responsibility. Students are encouraged to explore their faith, develop a strong moral compass, and apply Biblical principles to real-world challenges. In contrast to secular education's focus on mere intellectual achievement, Christian education prioritizes the development of the whole personbody, mind, heart, and spirit. This approach recognizes that true wisdom encompasses not only knowledge but also wisdom, empathy, and character.

By embracing Christian education, individuals can gain a deeper understanding of themselves, their purpose, and their place in the world. They can develop a strong sense of morality, compassion, and justice, enabling them to make a positive impact in their communities and the world at large. Ultimately, Christian education offers a powerful solution to humanity's most pressing problems. By instilling values of love, kindness, and service, it can help create a more just, peaceful, and sustainable world. As we navigate the complexities of the 21st century, Christian education stands as a shining example of the transformative power of faith and learning.
